Dear Catherine,

I had a telephone call from Lester last week and made an appointment with him for last Monday. We had a very pleasant chat and an excellent luncheon. As per your request he handed me a pattern guinea which I am returning herewith with my attribution. This particular type with plain edge by Thomas Wyon is described in Murdoch under No. 149. The latest records for the coin which I dug up is in the Numismatic Circular, March 1955 under No. 13,274. The price quoted is 50 pounds so that I think the suggested price of \$150.00 would be justified.

Thank you very much for your Christmas card. If I do not get the chance to see you before then, I wish you a pleasant and Happy Holiday.

Cordially as ever,
